TDD users can contact USDA through local relay or the Federal Relay at (800) 877-3339 (TDD) or (866) 377-8642 (relay voice users). USDA is an equal opportunity provider and employer.

If You Live Within These Boundaries You May Qualify

Andy Anderson, Environmental Technician

Last month I sat a recycling goal for the remainder of this year, and that was to reach a total of 33,454 lbs of material. As of 10/22/12, we have a total of 34,160 lbs! That's awesome news! I asked if we could reach this 6,214 lb goal in 3 months, and you guys did it in 1.

Kewāwīyāmenepwa. I knew it was possible if we set our minds to it. As I watch our numbers steadily growing, I know we can continue to do this. That is why I would like to propose another goal for us to reach before the end of the year. My original goal was to collect 11,000 more lbs this year than we did last year, but that is only 3,220 lbs away. We will have no problem reaching that goal. We need a challenge. Therefore, I am setting the goal of 45,000 lbs of recyclable material by the end of 2012. That goal is 10,840 lbs away. If we can collect 5,420 lbs a month we can reach it.

I know we can do this everyone. We just have to be mindful of what materials we use on a daily basis that can be recycled. Right now, the recycling facility we take our collections to is only accepting: Paper (magazines, newspapers, office/copy paper, and shredded paper... no paper towels or Kleenex), Plastic (mainly number's 1 and 2. The bottom of the containers will show which number it is. Wal-Mart sacks are okay), Cardboard, Aluminum/Tin (soda and soup cans), and Glass. We don't have a designated place for glass around the Sac and Fox Nation complex, but we do accept it. If you have any questions concerning a particular material, feel free to call me.

I would like to thank all of you again for your help. As I mentioned before, we couldn't do any of this without you.

As a result of your recycling during the month of September...

- You have saved 50.32 trees, as one ton of recycled paper saves 17 trees.
- You have saved 12136 Kwh of energy, as one ton of recycled paper saves 4100 kilowatt hours of energy.
- You have saved 20720 gallons of water, as one ton of recycled paper saves 7000 gallons of water.
- You have saved 9.7680 cubic yards of landfill space, as one ton of recycled paper saves 3.30 cubic yards of landfill.
- You have saved 177.60 pounds of air pollution, as one ton of recycled paper saves 60 lb of air pollutants when compared to making paper from virgin wood pulp.

**A MEMBER OF THE TAX COMMISSION STAFF
WILL NOW BE AT
THE SHAWNEE MULTIPURPOSE CENTER
TWICE A MONTH.**

THE TAX COMMISSION WILL BE THERE ON
THE FIRST (1ST) AND THIRD (3RD)
THURSDAYS OF EACH MONTH.

WE WILL BE ABLE TO BETTER SERVE TRIBAL
MEMBERS LIVING IN THE SHAWNEE AREA WITH
MOTOR VEHICLE REGISTRATION AND ANY
OTHER SERVICE THAT WE CAN ASSIST YOU WITH.

Veterans Day Gourd Dance

**Sunday
November 11
2012
2:00 pm**

Sac and Fox Nation Community Center

Head Staff:

Head Singer	J. Paul Wilson
MC	Russell Saunders
Head Gourd Dancer	Houston Stevens
Arena Directors	Sac and Fox Honor Guard

**We invite all veterans and the children of veterans
to participate in this special day of activities. These men and women,
no matter what generation, have made it possible for us to continue
our way of life yesterday, today and tomorrow.**

Meal Break 5:00 pm - 6:30 pm

Resume Gourd Dance until 9:00 pm
